FAIR OPENS SATURDAY

Daly City Joins Exposition Fun

Treasure Island's 1940 Golden Gate International exposition will open in a blaze of glory Saturday.

Bombs will explode; sirens will shriek. Thousands of miles away, in Little America, a golden key will flash and the azure waters of San Francisco Bay will reflect a blaze of irridescent light from the skies above Treasure Island. Bands will blare.

Daly City has already donned boots and six-guns and joined the fun of the Golden Forties Fiesta. Tonight local marching units join the down-town parade, celebrating the opening of the '40 Fair.

Saturday hundreds of local men, women and children will be among jostling crowds thronging the avenues of Treasure Island to view the magnificent opening pageant. Four of Daly City's talented young performers will be a part of the great show.

Tonight's Parade

Led by their petite mascot, Miss Bobbie Bruce, Daly City band will march tonight in San Francisco's gay festival parade.

Known as the "Pageant of the Golden Forties," the huge procession will start at Montgomery and Market at 8 p. m. It will march up Market to Fulton and through the Civic Center to pass the reviewing stand in front of the city hall.

Miss Bruce's youthful loveliness will be set off by a drum majorette's costume of white satin, trimmed in fur and red sequins. The thirty band members will also be in uniform, according to George E. Brenner, bandmaster.

Another Daly City marching unit which will join the parade is the El Carmelo, Parlor No. 181, drum corps, Native Daughters of the Golden West, with sixteen drums, three color bearers, and one major.

The line of march will be brilliantly lighted for the night parade and spectators will be in colorful Fiesta costumes of the Old West.

Treasure Island

When the Golden Gate International Exposition of 1940 officially opens on Treasure Island, Saturday, four talented Daly City entertainers will come in for their share of the spotlight and applause.

Twirling a silver baton, Miss Bobbie Bruce, official mascot of the Daly City Band, will participate in the drum majorette finals on the Island, Saturday. A drum majorette for the last five years, Miss Bruce won in the San Francisco semi-finals last week, and stands a good chance to win the grand prize, a contract with Murray's band on Treasure Island for the entire summer.

Two Jefferson Union high school dancers, Miss Barbara Davis and Ralph Capps, will form part of the select dance chorus of Billy Rose's spectacular Aquacade. Both youthful performers are well known here for their appearance with Dante P. Lembi's Indians of Rhythm.

Swimming in the lovely water ballet of the Aquacade will be Miss Carol Schoning, expert local swimmer. Miss Schoning holds several medals and is a familiar figure at the Jefferson plunge. Music, changing colored lights and elaborate costumes will all combine to make the Aquacade one of the greatest attractions on Treasure Island this summer.

Vivacious Barbara Davis will appear with the Aquacade on Treasure Island.

False Alarm Culprit Costs Daly City Money

Jumping out of bed in the middle of the night or dashing away from a half-finished dinner to answer a fire alarm is no fun. Answering an alarm also entails the expenditure of taxpayers dollars —a serious matter.

Two false alarms were answered by the Daly City Fire department this week, at midnight Sunday and 6 p. m. Monday, both evidently turned in by a person who enjoys seeing the department equipment going to a fire.

"I would like to point out to this practical joker," said Chief Andrew P. Chesney to the press today, "that turning in a false alarm is a felony. If the miscreant is caught he is liable to a $500 fine, one hundred days in jail, or both."

Lady Tangles With Color Scheme At 3 A. M.

It was three o'clock in the morning—but whether Miss Jean Cooper, 841 Easton avenue, San Bruno, had been dancing all night through, we can't say.

At any rate, it was early Sunday morning and Miss Cooper was driving south on Mission street.

She was in the first lane of traffic, she told Daly City police today, and was proceeding along in routine fashion when she suddenly saw before her, approaching on the wrong side of the road, a green roadster with yellow wheels.

Before she could recover from the color combination, the roadster had whizzed past. Miss Cooper might have rubbed her eyes and thought it all a dream—but unmistakable evidences of reality were all too apparent in a demolished right fender and hub cap.

Warning: green roadsters with yellow wheels are this week receiving the suspicious glances of both Miss Cooper and the local police force.

P And S Week Opens In Daly City

Professional and Service week of the WPA was officially opened in Daly City Monday evening, with a dinner at Jefferson Union high school cafeteria. The week is set aside nationally to acquaint the public with the various projects undertaken and carried out by this agency. It is an open-house week for visitors.

Presiding as chairman at the dinner was James Ferguson, chairman of the local recreation committee. Ferguson spoke on the necessity for cooperation in all recreation departments, and cited many aims that the Daly City department had realized, particularly where girls and boys of school age were concerned.

Hugh Shippey, county project director, told of department objectives and the success of county

Pretty Carol Schoning's excellent swimming technique placed her in the ranks of the Aquabelles, whose water ballet will charm thousands at this year's Exposition.

Police Retrieve Mayor Fahey's Car

Less than three hours after it had been stolen from where it was parked at 475 Irvington street, the automobile of Mayor John J. Fahey was recovered for him by the Daly City police department, Sunday evening.

Police were notified of the theft at 8:40 p. m. At 11 p. m. Sergeant Sunderland and Officer Joe Kusber found the car abandoned at the end of Peoria street, near the quarry. In their haste to escape, the culprits had left the motor still running, the lights on and the front door open.

Auxiliary To Send Rosemary Loney To Girls' State

For the first time in California, Girls' State will be held at Sacramento this summer, June 22 to 29.

Selected to represent Jefferson Union high school, through virtue of her scholastic, leadership and personality record, was Rosemary Loney, junior student. Claudia Bertini was chosen by the faculty committee as alternate.

Sponsored by the American Legion auxiliary, Girls' State is operated in the same manner as Boys' State, and was organized to give girls a knowledge of governmental departments at Sacramento.

Girls are housed in an infirmary and nurses, doctors and dieticians are in charge, taking every precaution for the health and safety of their charges.

Admit Local Residents To U. S. Citizenship

Daly City and Colma gained eleven new citizens last week upon completion of a six-day citizenship examination held at Redwood City. The 147 successful candidates in San Mateo county represented eighteen foreign countries.

Local residents admitted to citizenship were Francesco Menicucci, Leonida Ciardelli and Adelina A. D'Ella, Italy; Manuel M. Cano, Spain; Isabel A. Winrich, Australia; Bert William Wester, Canada; Wilhelmina Poddig, Germany; Anastasios J. T. Thimis, Greece; Cyril E. V. Dotson and Jeanne M. E. Dotson, England.

Council Arguments Rage On Bus Question

Heated arguments raged through the council chambers Monday night as the Daly City municipal bus question was brought into open discussion.

More than one hundred people crowded into the city hall to hear the reading of a petition signed by 269 registered voters requesting the continuance of the present schedule and route of the busses.

In their study of possible changes in the transportation system, the council will take into consideration a report submitted by C. E. Piatt, certified public accountant, who states that the busses are operating at an approximate loss of $665 per month.

A special caucus meeting will be held at the city hall at 7 p. m. tomorrow evening in an attempt to find a solution for the problem.

Stressing economy in another direction, the council by unanimous vote Monday evening abolished the office of full time city engineer and superintendent of streets.

These positions have been filled during the last year by Julius F. Castelan, who will be replaced by Robert Klassen as part-time engineer working on a fee basis. The change will go into effect June 1.

Lembi's Cowboy band will play in the Benny Walker amateur finals over Station KGO, June 3, it was announced today. The number of votes sent in on postcards, following their performance, will then determine whether Jefferson's famous Cowboys will be awarded a week's paid engagement at the Golden Gate theatre, grand prize for the amateurs.

The Cowboys won their right to appear in the finals by winning last Monday night's Benny Walker amateur hour contest.

Sales are hitting new highs..so Buick dealers are ready to make swell deals.

Wouldn't it be tragic if you missed it!

Buick prices begin at $895* for Business Coupe (illustrated)

JUST suppose that down the street a dealer had an automobile so close to your heart's desire that it might have been made to your own specifications.

Suppose it had the room you've been wanting — the big, strapping size you'd like — the imposing style and good looks and soul-satisfying luxury of appointment.

Suppose it had all the life and zip and action you could ask for and a big, durable, thrifty power plant that could match even fine watchworks for smoothness.

Suppose you *knew* that car set the standard for real modernity and value—but *just assumed* that it must be out of your reach because it was so *obviously* good!

Wouldn't it be tragic if you passed up that honey — just because you didn't *inquire* what the prices actually were?

Here and there that's happening, we fear. Happening because people who want Buicks aren't getting the actual facts.

Maybe you didn't know that there are *five* 1940 Buicks at five different price ranges.

That every one of these has a big, husky, straight-eight engine electrically balanced *after* assembly by Buick's own exclusive process.

That soft, stout coil springs are found on every one — that every one has recoil-mounted Knee-Action, finger-flick transmission, bona fide Buick styling — features literally counted by the dozen.

Maybe you didn't know, above all, that for Buick SPECIAL models, current prices† begin as low as $895 ★for the business coupe, delivered at Flint. That even when you add transportation based on rail rates, state and local taxes (if any), and optional equipment and accessories, delivered prices are the lowest ever on such value.

But all that's true. You can prove it any day by asking for a demonstration that costs nothing, and involves no obligation.

So why take a chance of missing something gorgeously great that could be yours for the trying? *Do* something, and do it now — *go see your Buick dealer!*

†*Prices subject to change without notice.*

"Best buy's Buick!"

1940 Ice Follies Revue Draws Capacity Houses

Opening before a capacity house which continued its spectacular attendance, the Ice Follies of 1940, latest edition of the famous musical revue on ice, is now playing nightly at Winterland, in San Francisco.

Production is the keynote of the new "Ice Follies of 1940." The opening number "Arctic Fantasy," best exemplifies the new order of the Ice Follies of 1940. The curtain raiser combines two ensemble groups, a comedy group, a comedy single and a spectacular double into a production number that runs almost 15 minutes.

Complete with a setting of the far North of igloos, "Arctic Fantasy" offers the Aurora Borealis and ensemble of 12 ballarinas, the Northern Belles another group of 12 in a musical novelty, the Snowman and the three Polar Bears, an unobtrusive comedy bit in rehearsal that developed into one of the hit spots of the show, Ruby and Bobby Maxson as the "Babes in Northland" and Les Hamilton, Ice Follies comic, cast as Miss Snowflake.

Other features in the production have been enlarged and elaborated upon. Spectacular Evelyn Chandler is featured in "Dude Ranch" along with a mixed twelve garbed in true western style. Shipstad and Johnson have gone collegiate in "Collegiate Capers."

The skill of Bess Ehrhardt and Roy Shipstad in ballroom dancing on skates, presenting the tango, the rhumba, the fox-trot and the waltz, all done on flashing blades, is set off by the Top-Hatters, in a number called "Manhattan at Midnight." Later Miss Ehrhardt is the central figure of "Melody in Motion," an episode which presents the full force of the Ice Follies ensemble of 24 in a distinct novelty offering.

Bicycle Baby Trailer

An engineering works employee at Ashtabula, Ohio, has devised a "baby trailer" to be attached to bicycles or tricycles. Mike Zalimeni, seeking a patent on his device, says the "knee-action" trailer will enable people to take the baby along on bicycle trips.

Vegetable Cocktail Bar

Milwaukee, Wis., now has a vegetable cocktail bar that serves only vegetable drinks, declares the American Magazine. The operator is Mrs. Edith Lange, whose specialty is a garlic-parsley cocktail. It contains the juice of green peppers, with three cloves of garlic, and the juice of parsley mixed in.

Port-au-Prince, capital of the "Black Republic" of Haiti, is an orderly city of more than 100,000 inhabitants.

"Grapes of Wrath" To Be Shown At D. C. Theatre

Deep, stirringly human appeal draws audiences to the very heights of film entertainment in Darryl F. Zanuck's production of "The Grapes of Wrath," John Steinbeck's fearless novel. The 20th Century-Fox film, which at its world premiere achieved the biggest opening attendance in the entire history of New York's 22-year-old Rivoli theatre, will be brought to the Daly City theatre next Sunday.

Under John Ford's honest direction the Joads come to life with all the warmth, vitality and rugged humor that characterized Steinbeck's widely acclaimed novel. Both the spirit and the letter of the book have been followed with extraordinary exactness by Associate Producer Nunnally Johnson who wrote the screen play. The many thousands who eagerly awaited this picture will find every iota of drive and power of the original story has been retained in the screen version.

Tom Joad, who is played by Henry Fonda, remains the courageous figure Steinbeck created.

Jane Darwell's performance, as Ma Joad, makes it impossible to believe that Steinbeck did not have her in mind when he created this indomitable Oklahoma mother. Jane carries her audience in the palm of her hand while she laughs and cries, scolds her brood and defies the forces which would tear her family apart.

Which is by all odds one of the most difficult roles in the picture, that of Casy, the garrulous, crusading preacher, is carried off with great distinction by John Carradine.

Similarly excellent is the selection of other members of the cast.

For a list of current attractions at the Daly City theatre consult the program on page 5.

Steinbeck Characters

They bring famous characters to life on the screen in Darryl F. Zanuck's production of "The Grapes of Wrath," the widely-discussed John Steinbeck novel. Daly City theatre will show the famous film next Sunday, Monday and Tuesday. (Left to right, beginning at top) Henry Fonda as Tom Joad; Jane Darwell as Ma; John Carradine as Casy, the preacher; Charley Grapewin as Grampa; Dorris Bowdon as Rosasharn; Russell Simpson as Pa. Girl Telephone Employees

The telephone company states that although male operators were used when switchboards were first put into service, it was soon found that the temperaments of men were not suited to such work, so in a comparatively short time they were replaced by girls. Since that time it has been the policy of companies to employ only girls.

What an Animal!

The biggest land mammal that ever lived is called a Baluchithere. Its bones were found by the American Museum of Natural History on one of its expeditions to Mongolia. This prehistoric beast must have been able to browse on leaves more than 25 feet above the ground, according to measurements of its reconstructed skeleton.

De Soto Features Luxury At No Added Cost

"Heavy response of the motoring public to comfort and luxury at no added cost, is a big factor in the outstanding success of the 1940 De Soto," declared James E. Donahue, Daly City De Soto-Plymouth dealer.

"The interior of the 1940 De Soto has the comfort of a modern living room," Donahue said. "Seat cushions are now chair high, with higher backs for the utimate in passenger comfort. Upholstered in luxurious fabrics, with deep, soft cushions and convenient arm rests, seats enable passengers to relax and really be comfortable."

"All doors in the new models are provided with rubber insulation which forms a perfectly tight seal against dirt, dust and drafts," continued Donahue. "Door handles are curved, inside and out, and all interior knobs and projections are recessed as a safeguard against torn clothing. The doors are non-slam and may be closed with slight pressure of the fingers.

"The public's wide acceptance of this beautifully-designed, luxurious car has proved it to be a truly brilliant engineering feat," Danahue concluded. "With a price even lower than that of last year, in spite of all these improvements, it is no wonder De Soto is making sales history today."

Crocker P. T. A. Installs Officers

Meeting of Crocker PTA Sew and Sew club which was to be held at the home of Mrs. Bernadine Lewis on Winchester street, has been changed to the home of Mrs. Mildred Seiler, 663 Evergreen avenue, for tomorrow at 10:30 a. m. Members are requested to be present, as a new chairman is to be appointed.

Mrs. B. D. Ralston, retiring president of seventeenth district C. C. P. T., installed Mrs. Hazel Cassasa, newly elected president of Crocker, and her corps of officers at the annual luncheon and installation of officers last Tuesday. She used as her theme, Longfellow's "The Building of the Ship," in an impressive ceremony.

Each new officer was presented with a gardenia, and Mrs. Seiler, retiring president, received her past-president pin. Mrs. Julia V. Jordan, with a short but appropriate presentation speech, gave the new president, Mrs. Cassasa, a lovely bouquet of red rose-buds from the unit.

Those who honored Crocker with their presence at the luncheon, besides some fifty members, were Mrs. Ralston, retiring seventeenth district president; Mrs. George Bruns, incoming president of seventeenth district CCPT; Mrs. L. H. Bissett, fourth vice-president; Clive M. Saiz, instructor of Jefferson Union high school; Mrs. Maud Hanselman, retiring president of Jefferson Union high school PTA, and Mrs. Catherine Foreman, president of Woodrow Wilson PTA. R. L. Crane, superintendent of schools of the Jefferson district, and a member of Crocker, was also present.

Others who were introduced included Mrs. Ilda Marquis, retiring president of General Pershing PTA; Mrs. Virginia Davidson, incoming president of General Pershing PTA, and Mrs. Seiler, who is retiring president of Crocker, and incoming president of Jefferson Union high school PTA.

During the meeting which followed the installation, Mrs. Seiler was presented with a beautiful lace banquet cloth, from the individual members of Crocker, as a mark of their appreciation for her service to the unit during the past year.

"I wish to thank all members and officers," said Mrs. Seiler, "for the whole hearted cooperation that I have received during my term as president. It has been a pleasure working with the organization.

"I know that under the capable leadership of our new president, Mrs. Hazel Cassasa, Crocker PTA will continue forward with the many worth-while programs they sponsor."

A vote was taken to send a boy and a girl from Crocker school to summer camp for a week during vacation.

Budget for the year was checked, and it was found that there would be a good balance for Mrs. Cassasa and her officers with which to start the year. The final audit found all books in perfect shape.

Mrs. Seiler and Mrs. Cassasa were representatives of Crocker at the last executive board meeting of the seventeenth district, Monday of last week, and at the annual luncheon and installation of officers of the district on Friday.

Mrs. Hazel Cassasa left Sunday for Los Angeles as the delegate from Crocker PTA to the annual State convention, which is convening there this week.

Taxes on Motorists

Motor car owners pay a total annual tax bill of $1,320,000,000 on oil, gas and license plates, according to an estimate by the League of Women Buyers and Taxpayers. This is more than manufacturers get for new cars in a year.

It's all GRAVY

How to serve gravy any time you want it without cooking meat

Dorothy Greig

Hot gravy over bread—children love it!

THERE are some few things which kings and presidents, generals, diplomats, robbers, saints, boys and girls, young people, old people, you and I and all of us like and enjoy now and forever . . . and gravy is one of them. Gravy ladled, rich and savory, over bread; brown gravy cupped atop snowy mashed potatoes; gravy spreading slowly over vegetables or meat. In short, gravy.

Have you heard about the new way to make gravy without actually having to roast meat? It is done with condensed soup. Condensed soup is the broth slow cooked from fine meats and from whole chickens. Condensed soups can be turned into bowlfuls of smooth gravy—gravy full flavored with meat or chicken—and practically on a moment's notice. It's something worth knowing about and this is how it is done:

Quick Beef Gravy

3 tablespoons butter or shortening
3 tablespoons flour
1 can condensed consommé
½ cup water
1 can condensed mock turtle soup
1 tablespoon milk

Melt the butter or shortening in a saucepan, add the flour and cook until frothy. Then add the consommé and water and cook until thickened. Add the mock turtle soup and milk at the last and simmer 3-4 minutes to blend the flavors. Strain and serve. Makes about 3½ cups gravy.

Creamy Chicken Gravy

1 can condensed chicken soup
2 tablespoons butter or shortening
2 tablespoons flour
½ cup milk

Strain the chicken soup and force as much rice as possible through the strainer with the soup. Melt the butter or shortening in a saucepan, add the flour and cook until frothy. Then add the soup and the milk and cook until thickened. This makes about 1½ cups of gravy.

Mushroom Beef Gravy

3 tablespoons butter or shortening
3 tablespoons flour
1 can condensed bouillon or consommé
¾ cup water
1 can condensed cream of mushroom soup

Melt the butter or shortening in a saucepan, add the flour and cook until frothy. Then add the bouillon or consommé and the water and cook until thickened. Empty the cream of mushroom soup into a saucepan and stir well—then add the gravy to it and heat thoroughly to blend the flavors. Makes about 3 cups gravy.

Give Engagement Shower For Beverly Robischung

Beverly Robischung was given an engagement shower by her mother, Mrs. G. D. Robischung, 499 Woodrow street, last week.

Many friends and relatives gathered to wish the prospective bride happiness. Miss Robischung received many beautiful gifts.

Present were Mrs. J. Matson, Mrs. A. Jorgenson, Mrs. Charles Clement, Mrs. F. Brand, Mrs. F. Spillar, Mrs. I. Moore, Mrs. Joseph Spanier, Mrs. Clifton Jordan.

Misses Emma and Alice Robischung, Miss Eleanor Talbot, Miss Jane Reiman, Miss Madeline Boss, Miss Blanche Preciado, Miss Iola Moore, Miss Hilda Mitchell and Miss Ella Bisler.

Netherlands Defensive Flooding

If the dykes in the Netherlands are open, defense flooding would damage the farm lands, and necessitate the evacuation of thousands of residents, but the water would not be sea water, it would be fresh water from the rivers, or the old Zuyder Zee, now called Ijssel lake. It would do no permanent harm.

PTA Sewing Circle To Meet Tonight

General Pershing PTA sewing circle will meet this evening at the home of its newly installed president, Mrs. Virginia Davidson, 581 Hanover street.

The executive board will meet at the school, May 29. Mrs. Davidson, accompanied by Mrs. Ilda C. Marquis, attended the CCPT installation luncheon, Friday, in San Mateo.

JEFF VARSITY SCORES 10 TO SAN JOSE 7

Jeffs Varsity team travelled to San Jose, Friday, to beat San Jose baseball team 10-7.

San Jose's third baseman started off the game with a home run, hitting a ball that careened crazily on the rough outfield.

Huerta and Stephens of Jefferson each brought in runs in the first inning.

In the fourth the Jeff infield showed their prowess by two double plays, Percival to Razzari to Lekoff for one, and Percival to Lekoff to Percival to Razzari for the other.

The Indians really got in the groove in the sixth inning. For five innings they had been hitting the San Jose pitcher for long first and third baseline fouls, but getting the range in the sixth, knocked the San Jose pitcher all over the lot.

After five runs in that inning, with Stephens on first, Roy Guisti hit a long high one, 385 feet into center field. It bounced over the fence and according to ground rules was only good for a double.

San Jose promptly changed pitchers and Herb Poddig came to bat. Poddig took one look at the new pitcher, then lifted the first ball way out between center and right field for a triple, bringing Guisti and Stephens in for the last scores of the game.

Jefferson plays Sequoia Tuesday in the first game of the play off, which is for two out of three games. San Mateo plays San Jose for two out of three, and the winners of the two playoffs meet for the PAL championship.

Jefferson's chances for the pennant are good. The Jeffs have become confident but not too much so, and they have learned not to underestimate their opponents.

If the Jeffs continue their brilliant playing, aided by Coach Biggs' ability to figure out the opponents' strategy, it will not be a surprise if the 1940 cup eventually reposes among Jefferson's collection of cups and trophies.

Vincent Groves Awarded Medal

Vincent Groves, twelve-year-old San Mateo youth, was awarded a gold YMCA life-saving medal, Sunday, for his heroic efforts in saving a younger playmate from death by drowning.

The near-tragedy occurred during the Peninsula's last heavy rainstorm, when the seven-year-old child fell into a San Mateo creek. Using a stick, Groves pulled the child to safety as he was sinking for the second time in the swiring eigth-foot current.

Merlin Donaldson, boys' work secretary of the YMCA, was in charge of the presentation. The youthful hero is a member of the San Mateo Zion M. E. Friendly Indian Y club.

Horse Owners Assn. Plan Drive For Trails

In the days of the Padres in early California, a rider could mount his horse in Old Mexico and travel by trail the entire length of California, stopping over-night at points a day's journey apart.

To bring back these peaceful saddle trails with their leisurely travel is the object of the San Mateo Horse Owners association, it was learned this week from Eddie Allen, local member.

"This is not an idle dream," said Allen. "The groundwork is laid, trails in San Mateo county mapped out, and plans for overnight hostelries have been discussed."

While San Mateo county is proceeding with beautification of the Skyline highway, the trail from here to Monterey will be laid out and completed. From Monterey south the trail is a reality, a n d needs but a few finishing touches. When complete, it will be called the "Trail of the Dons."

The San Mateo Horse Owners association, Allen pointed out, is putting on a membership drive, not only for horse owners, but for all persons who ride or are interested in pleasure horses.

Sir Baden-Powell Honors Daly City Scouts With Letter

Boy Scout Troop No. 141 this week were honored with one of the highest compliments that could be accorded to a troop—that of receiving a letter from the father of the Boy Scout movement, Sir Robert Baden-Powell.

The letter came from Paxtu, Nyeri, Kenya Colony, South Africa, and was marked "Passed by the Censor." It contained a bowline knot tied by Baden-Powell himself for the troop to add to their collection of knots.

Illustrating the importance of the bowline knot, the letter recounted an incident that happened on the Niagara river years ago. A bridge gave way, and a man, a woman and a boy were carried on the floating ice toward the whirlpool below.

The fire department was called and ropes were lowered to the half-frozen people. The man made a frantic effort to tie one of the ropes around the woman, but failed to do so before the current carried them away.

The boy climbed several feet, but the frozen rope slipped from his stiffened hands and he fell to his doom.

"Afterwards, travelling in the train," continued Sir Robert, "a man in the carriage said, 'I bet that if there had been a Boy Scout there he would have done something practical to rescue those people.' In honor of the Scouts I chipped in and agreed with him and said, 'I am certain that a Scout would not have lowered a mere frozen rope for terrified people to deal with, but would have tied a bowline knot in it through which they had merely to put their legs and be hauled to safety.'

"So here is one value, at any rate, which I see in the bowline if Scouts know how to tie it rapidly. Wishing you all success with your collection, I am,

Yours truly,
Baden-Powell"

The bowline knot will be mounted on the troop's bulletin board in their meeting room at Grace Nazarene church. Forming the border of the bulletin board are knots tied by New York Scout Executive James E. West, National Scout Commissioner Daniel Carter Beard; Walter H. Head, president of the Boy Scouts of America, and Scout Executive Raymond O. Hanson.

The border also includes knots by each charter member of the troop committee and each charter member of the troop, explained Scoutmaster Joseph Straughan today.
